

# JOB OPPORTUNITIES: HOME BUILDING IN WESTERN AUSTRALIA

- Estimators • Drafts people • Supervisors
- Schedulers • Salespeople • Regional General Manager • Construction Managers

The JWH Group is Australia's fourth largest builder. It is a group of building companies, under the one ownership: Each operation targets different parts of the Western Australian market. They are In-Vogue, Oswald Homes, Residential Attitudes, Rural Building Company, WA Country Builders and Plunkett Homes. Check out our website at [www.jwh.com.au](http://www.jwh.com.au) and follow the links to these operations to find out more about our business.

There is an amazing opportunity to relocate into WA with the certainty of employment and the potential for career growth within a really diverse entity. As well as offices in Perth, WA Country Builders regional offices could allow you the opportunity to enjoy the unique lifestyle benefits of regional WA.

As well as great money, great working conditions, we will assist in the cost of relocation.
