

Senior Drafts person

New Homes

Looking for new challenges and variety in 2008?

Join a friendly, experienced, and professional team in an environment that offers flexible working hours and much, much more.

- Varied work including single and two storey homes, one offs, and unit developments.
- We can promise you a great atmosphere, working with a team of only two sales consultants, one estimator and your own Contract Administrator.
- We are a big builder with a small team focus. An excellent remuneration package comes with the position.

Ideally the person we are looking for will have a minimum of 2 years experience in the drafting of single and two storey homes and will be Archicad proficient.
